### **Eriez® 5-Star Service® Program Certifies Lift Magnets for ASME Compliance**

Erie, PA—With the start of a new year, the [Eriez® 5-Star Service®](#) team is issuing a reminder to companies about the importance of verifying all lift magnets operating in their plant comply with [ASME B30.20](#), the industry standard for inspection, testing and maintenance of close proximity operated lifting magnets. Eriez designed its long-running and popular [5-Star Lift Magnet Certification Program](#) to assist customers with this crucial task.

Every magnet repaired by Eriez is returned with a Certificate of Compliance which guarantees the repairs and magnet load test comply with ASME B30.20. Eriez also provides a one year warranty on all certified repairs.

Inspection and testing procedures include inspection of lift magnet surface and resurfacing of poles (if needed), inspection of all other parts, replacement of any missing parts, repair/replacement of all damaged parts, replacement of warning labels and capacity markings and load testing and certification.

Eriez provides the most complete [lift magnet line-up](#) and services available today, including a [magnet exchange program](#). “Whether you need to purchase new magnets, get your current magnets repaired, certified or completely rebuilt, we have a solution for you,” says Eric Taylor, 5-Star Service Manager. For more information about Eriez’ [Lift Magnet Certification Program](#) and other services for lift magnets, visit <http://erieznews.com/nr400> or call the 24/7 service hotline at 1-888-999-ERIEZ.

Eriez is recognized as world authority in separation technologies. The company’s magnetic lift and separation, metal detection, fluid filtration, flotation, materials feeding, screening, conveying and controlling equipment have application in the process, metalworking, packaging, plastics, rubber, recycling, food, mining, aggregate and textile industries. Eriez manufactures and markets these products through 12 international facilities located on six continents. For more information, call toll-free (888) 300-ERIEZ (3743) within the U.S. and Canada. For online users, visit [www.eriez.com](http://www.eriez.com) or send email to [eriez@eriez.com](mailto:eriez@eriez.com). Eriez World Headquarters is located at 2200 Asbury Road, Erie, PA 16506.
